presents

5th Annual KY Nonprofit Day at the Capitol **Tuesday, February 9, 2010**

What is KY Nonprofit Day at the Capitol?

Each year, a growing number of Kentucky's nonprofits gather at the Capitol to raise awareness of our nonprofit community and those we serve. Kentucky's nonprofit sector generates nearly 9% of the gross state product and is one of our state's largest employers. Nonprofits of all missions, sizes and geographic homes play a critical role in the future of our Commonwealth. Through participation at KY Nonprofit Day at the Capitol, nonprofits are raising our visibility, showing our collective strength and making our voices heard.
