What is KY Nonprofit Day at the Capitol?

Each year, Kentucky nonprofit leaders gather at the Capitol to raise awareness of the important work and economic importance of our nonprofit community. There are many opportunities and threats facing our sector in 2016 and your partnership at the 11th Annual Kentucky Nonprofit Day at the Capitol is crucial. Our nonprofit sector is Kentucky's third largest industry and employs one in 9 Kentuckians. Nonprofits of all missions, sizes and geographic locations play a critical role in the future of our Commonwealth. Through participation at KY Nonprofit Day at the Capitol, nonprofits are raising our visibility, showing our collective strength and making our voices heard. Join with us!
