

FUNDRAISING REGISTRATION IN KY:

Does Your Nonprofit Need to Register?

Does your Kentucky Organization ask for, or receive, money or items of any value from the public for charitable or civic purposes?

More Tips:

- Kentucky registration must be renewed annually. The annual renewal due date coincides with submission of an organization's IRS Form 990.
- Out of state registration may also be required. Does your organization ask for, or receive, contributions for a charitable purpose outside of Kentucky? (The "ask" can be via mailer, website, 'donate here' button, email, and many other mediums.) If yes, your organization is likely required to register in those states.
- While understanding and meeting state charitable solicitation requirements can be challenging and time-consuming, taking a proactive approach to registration will help you ensure compliance and avoid negative consequences.
