

The Southeastern Kentucky Nonprofit Coalition (SKNC) is a regional alliance of Kentucky Nonprofit Network members committed to a collaborative nonprofit sector serving the communities of southeastern Kentucky.

Launched in July 2025, the Coalition's work is essential to creating a strong, unified voice that better informs local, state, and federal elected officials about the work — and economic impact — of charitable nonprofits.

## Why stand with your regional nonprofit colleagues as a member of the Southeastern Kentucky Nonprofit Coalition?

- Receive timely, relevant, and accurate information on the public policy issues affecting both your organization and the work of nonprofits regionally, statewide, and nationally.
- Benefit from key insight into specific partnerships and funding opportunities.
- Unite with other nonprofits to advocate for a more collaborative and effective partnership with governments to better serve the people of the southeastern Kentucky region.
- Connect regularly with your colleagues working to build a strong nonprofit sector serving thriving communities.

## What does the work of the SKNC look like?

### MEETINGS

Held quarterly and in-person, focusing on:

- Local, state, and federal policy engagement;
- Education and discussion of key issues impacting members, the nonprofit sector, and the region;
- Information on funding opportunities and strategies;
- Visits with invited guests informing the Coalition's work;
- Advocacy training; and
- The opportunity to learn, network, and collaborate with other members.

### ENGAGEMENT

- Communication and events with local, state, and federal policy makers.
- Presenting a strong, unified nonprofit voice with public officials and in public meetings.
